1 ESAME

Per chi ha superato alcuni esami della vecchia ECDL:

Possono essere **convertiti in moduli Computer Essentials e Online Essentials i moduli 1, 2 e 7** della vecchia ECDL, superati utilizzando la *versione 5 del relativo Syllabus (i test superati con versioni precedenti del syllabus richiedono un test di update)*.

Possono essere convertiti in moduli **Word Processing e Spreadsheet i corrispondenti moduli 3 e 4** della vecchia ECDL superati con la *versione 5 del Syllabus (i test superati con versioni precedenti del syllabus richiedono un test di update)*.

UPDATE

- Per chi è già in possesso di una certificazione ECDL (Syllabus 4) per aggiornare la documentazione e passare alla Nuova Ecdl deve fare un esame composto da 8 domande per ognuno dei sette moduli da effettuare in un'unica sessione
